ALL sections of this Form must be completed in order for your Renewal/Application to be accepted.

Brading Haven Yacht Club
Boat Parking and Mooring Terms and Conditions
1 APRIL 2024 TO 31 MARCH 2025

1. The Boat Parking and Mooring year runs from 1 April to 31 March the following year. The Offshore Committee reserves the right to refuse any application and/or renewal.
2. The Club will not accept any responsibility for any damage to any boat howsoever caused. Boats on Club premises and moorings are there entirely at the Owner's risk and responsibility.
3. The safety of all boats and their equipment is entirely the responsibility of the Owner(s).
4. It is mandatory that all boats on Club property or moorings have Marine Insurance Cover in place and providing a minimum of £3 million Third Party Liability Cover.
5. The overall length of a boat on a club mooring will be measured from the pulpit to furthest extremity of the boat. This means the tip of the outboard if lifted. If length under reported an extra charge may be made.
6. All boats, their cover and trolley must be clearly identified with at least the boat's name or sail number whilst on Club premises and moorings. This applies particularly to Lasers, Toppers, Picos and the like which must have a name on the hull. This includes item stored in the Boat Shed. Separate road trailers must be removed from the Club.
7. It is Club policy that all Tenders, Optimists and Toppers are stored off the ground in racks. Tenders may be left moored at the Eastern pontoon during the season. Picos are normally kept on the ground, and members will be invoiced accordingly. Pico owners may request an off-ground rack position at the reduced fee, but if their boat is subsequently found to be stored out of the rack the additional fee will be invoiced.
8. Once you have paid for your boat parking space, a sticker will be issued and fixed to your boat by the Berthing Master to indicate that you have been allocated a space and that it has been paid for. It is most important that the sticker is not obscured even when the boat is covered. The Club will make an additional charge of £10.00 for boats not displaying a current sticker. **The sticker will be affixed to the mast for boats with a fixed mast; on the outside of the transom for other sailing dinghies; inside the transom for tenders. Mooring allocations will be listed on the notice board in the Club foyer.**
9. **If you sell or change your boat, you must inform the Club. Please ask for a form. You do not have the right to transfer the mooring or parking space to the new owner if you sell your boat, as this would allow the new owner to 'jump the queue'.**
10. Please ensure that you have read and understand Club Rule No. 49 regarding procedures for non-payment of Boat Parking/Mooring Fees, abandoned boats, notification, removal and disposal policy.
11. Boats on Club moorings and premises must be maintained in sound, seaworthy condition and any ancillary equipment e.g. launching trolleys and covers, should be kept in a serviceable condition. The Club reserves the right to remove any boat that is not seaworthy.
12. Boat Parking and Mooring at Brading Haven Yacht Club is provided on a yearly contractual basis and due to the limited number of spaces available, there is always a waiting list. Members allocated spaces and moorings are expected to use their boats on a regular basis, especially during the summer months. For boats **not being used on a regular basis**, the Club reserves the right to move the boats offsite or ask the owner(s) to remove them.
13. The Club **reserves the right to charge for boat washing services.**
14. The Club **reserves the right to pass on any increase in charges in respect of parking and mooring fees.**
15. Members wishing to use the Club scrubbing piles must pre-book with the Boatman. **A charge will be made in respect of any vessel staying on the piles for more than 24 hours.**
16. Members wishing to use the Club Boathouse must pre-book with the Boatman. A maximum of seven days in any one season may be pre-booked.
17. Members are asked to read and comply with the Club bye-law concerning use of the deep water mooring which was approved at the 2009 AGM.
18. Boat parking/mooring is on an annual basis with **no automatic rights to renew, an application must be completed each year.** The Club will not allocate a boat parking space or mooring in the absence of a fully completed Boat Owner's Application. **Paid in full annually.**
